

Providing the most amazing classroom experience

Our Mission: A promise to teachers

Provide the most amazing classroom experience for

Teachers

Students

Parents

What does that mean?

- Let teachers focus on what they love - teaching
 - Not producing reports & learning software
- Assured measurable performance improvement
- Keep it simple
 - Do not get in way
- Evolve with the changing landscape

The best learning environment contains

- Care and supportive
- Intuitive student dashboard
- Benchmark assessment
- Adaptive learning platform
- Very simple yet effective user interface

What is a caring and supportive environment?

- Collaboration
- Building intrinsic motivation
- Providing instructional scaffolding
- Building mastery

Collaboration

- Connecting teachers, students and parents
 - Everyone is in it
 - Use different delivery mediums
 - TV, Laptop, mobile
- Eco-system for better communication
 - Built-in safe messaging system
 - Message to class or to a student
